Position Title	Senior Consultants – Workplace Gender Equality
Reports to	Workplace Gender Equality, based in Melbourne

Who we are:

The Equality Institute (EQI) is a global feminist agency working to advance gender equality and end violence against women and girls (VAWG). We are values-driven and underpinned by feminist principles in the ways we work and how we conduct ourselves. We actively apply an understanding of intersectionality in our work and aim to have diversity reflected in our workforce.

Overview of Position:

EQI is on the panel of providers supporting public entities to meet their obligations under the Act.

We are looking for people to join our pool of consultants who can deliver GIA training and tailored support to our clients.

Do you have:

- Knowledge and/or experience working with the public sector in Victoria?
- Skills in training and facilitation?
- A deep understanding of gender inequality with an intersectional lens?
- Experience in gender impact assessments and/or gender audits?
- Commitment to the prevention of gender based violence?
